FOREWORD

This bibliography covers warfare engaged in, in a built-up or city environment. Emphasis is on general aspects of the engagement, as contained in military/naval periodicals owned by the Morris Swett Library, USAFAS.

Arrangement is in two parts. Part One lists periodical publications arranged by an arbitrarily devised acronym. Part Two cites periodical articles. Inclusion of an item, or omission, does not imply USAFAS indorsement or sanction of the compiler's point-of-view.
